Team Mangers/Coaches declaration

I confirm that all competitors in this team have ben trained and assessed to meet the standards set by RLSS UK for diving into water from a block with and without a torpedo buoy and was witness by a suitable qualified trainer. Those who do not met this standard are listed below and will be required to start all events in the water.

Please strike through if all are deemed competent

I confirm all team members to the clubs and my own knowledge are suitably heathy to complete the events they have been entered. In addition they have received suitable training and shown competency to complete the full event safely in line with the event descriptions.
